

Terms and Conditions of User License MARTIN Model v1.0

The Licensee and any person who copies, installs and/or otherwise uses the MARTIN Model v1.0 licensed (the "User") agrees to be bound by the following terms and conditions (the "Agreement"):

1. Software

The MARTIN Model is distributed as a CAD model in STL file format (the "Model Data").

2. License

- 2.1 The Athinoula A. Martinos Center for Biomedical Imaging in Massachusetts General Hospital, 13th st, Charlestown, MA, 02129, United States, and Boston Childrens' Hospital, 300 Longwood Ave, Boston, MA, 02115, United States (referred to below as "MGH/BCH") grants the Licensee a non-exclusive, non-transferable, free license to use the Model Data.
- 2.2 The license will be granted for an unlimited period of time.
- 2.3 The following shall apply to the license:
 - 2.3.1 Any modified version of, or derivative work based on, the Model Data shall bear the notice that it is a modified version of, or derived from the MARTIN Model.
 - 2.3.2 The Model Data or works derived from the Model Data must not be distributed or redistributed in the original form or in any modified or updated form.
 - 2.3.3 Any images based on the Model Data may be published only if the face is disguised so as to render the individual unrecognizable in any and all communications of any kind, including but not limited to reports, papers, and oral or poster presentations, in which images are published.
 - 2.3.4 When the Model Data is loaded, it must neither be read from the computer memory or graphics card memory nor be intercepted on the data bus.
 - 2.3.5 The Model Data shall not be used for military purposes, in particular for the development and optimization of potentially lethal weapons. Exceptions might be possible for protection of civilians and soldiers, e.g., from exposures to radar and/or communication equipment.
 - 2.3.6 In the event that data or results that have been obtained inter alia through use of the Model Data are published in communications of any kind, including but not limited to reports, papers, and oral or poster presentations, reference shall be made in the publication to A. A. Martinos Center for Biomedical Imaging, Massachusetts General Hospital, and Boston Childrens' Hospital as the creators of the Model Data and to the following paper: Development, Validation, and Pilot MRI Safety Study of a High-Resolution, Open Source, Whole Body Pediatric Numerical Simulation Model., Jeong H, Ntolkeras G, Alhilani M, Atefi SR, Zöllei L, Fujimoto K, Lev MH, Grant PE, Giorgio B. Plos One. 2020.
 - 2.3.7 This Agreement does not convey any title to intellectual property rights in the Model, nor shall the Licensee or any User attempt to obtain any such title to intellectual property rights in the Model.
 - 2.3.8 In the event that MGH/BCH is informed that the person, on whose personal data the Model Data is based has withdrawn the consent for any further use of the Model Data, MGH/BCH will inform the Licensee that any further use whatsoever of the Model Data is strictly forbidden.

3. Warranty

- 3.1 The Licensee and/or User are aware that no software runs completely error-free. Furthermore, the Licensee and/or User are responsible for the selection and the use of the Model Data as well as of the hardware and other software programs to be used together with the Model Data.
- 3.2 MGH/BCH makes no warranties whatsoever relating to the Model Data and its use and operation alone or in conjunction with any other software or for any purpose whatsoever. MGH/BCH disclaims in particular, but not exclusively, any warranties of accuracy, completeness, usefulness of the Model Data and any related documentation or for fitness of the Model Data for any particular purpose. MGH/BCH makes no representation that the use of the Model Data does not infringe any third party rights.

4. Liability

- 4.1 Any liability of MGH/BCH for damages caused by the use of the Model Data, in particular, but not limited to, indirect, consequential, and incidental damages, interruption of operations, loss of use, loss of profit, loss of data and information, loss of good will, shall be excluded to the maximum extent permissible by law.
- 4.2 The Licensee and/or User shall be fully liable to MGH/BCH for, and agrees to hold MGH/BCH harmless of any damage caused by any breach of this Agreement, in particular by any breach of clause 2.3.

5. Termination

This Agreement terminates with immediate effect if the Licensee and/or any User is in breach of the terms of this Agreement, in particular clause 2 above. Upon termination, Licensee shall return the Model Data to MGH/BCH and confirm in writing that all copies of the Model Data on any of its installations have been deleted.

6. Miscellaneous

- 6.1 Entire Agreement: This Agreement embodies the entire understanding between MGH/BCH and the Licensee and/or User with respect to the subject matter of this Agreement, and there are no representations, warranties, covenants, agreements or collateral understandings, oral or otherwise, other than expressly set forth herein.
- 6.2 Without prejudice to any rights of MGH/BCH against any User, the Licensee shall be responsible and ensure that any User who in any manner uses the Model Data that have been licensed to the Licensee, complies with the Agreement.
- 6.3 Assignment: The Licensee and/or User shall not assign or transfer this Agreement as a whole or in part to any third party without the prior express and written consent of MGH/BCH.
- 6.4 Waivers: No waiver by MGH/BCH of any breach of the Agreement by the Licensee or User shall be considered as a waiver of any subsequent breach of the same or any other provision.

7. Governing Law and Jurisdiction

- 7.1 This Agreement as well as any dispute arising out of or in connection with this Agreement shall be subject to and interpreted in accordance with the laws of USA.
- 7.2 All disputes arising out of or in connection with this Agreement shall, to the exclusion of any other courts, be settled by the Boston courthouse, MA, USA. Should the amount in dispute not reach the amount required by law for jurisdiction of the Boston courthouse, MA, USA, shall have exclusive jurisdiction instead. Notwithstanding and without prejudice to the foregoing, MGH/BCH shall also be entitled to bring action against the Licensee or User at any other court having competent jurisdiction.
